

# PLUMBING, GASFITTING & DRAINLAYING PRE-TRADE

## PLUMBING, GASFITTING & DRAINLAYING

PRE-TRADE

LEVEL 3

A qualification with hands-on challenges and rewarding opportunities!

Interested in taking the next step, but unsure what to expect? This programme provides a solid foundation, so you can assist qualified plumbers, gasfitters and drainlayers, and help meet demand in the sector.

20 weeks

Three locations:  
Auckland,  
Christchurch,  
Dunedin

APPLY ONLINE

[icexl.co.nz](https://icexl.co.nz)

You will gain real world experience, skills and knowledge on your way to achieve this qualification, and you can rest assured that your training meets industry standards and requirements.

Plus, if you choose to go onto an apprenticeship, this pre-trade will shave about six months off your training.

Mixture of learning styles, classroom, self-directed with practical assessments.

---
