With the Level 2 Certificate in Health and Wellbeing, you'll build essential skills for safe, person-centred care in healthcare environments. Cover key areas like infection control, assisted eating and drinking, and effective communication, while developing the confidence needed for real-world practice.

Skills Ignite arranges an 80-hour clinical placement for you in an aged care or disability setting, giving you valuable hands-on experience to prepare for entry-level roles across the health and wellbeing sector.

Whether you're a newcomer or returning to healthcare, this course offers an excellent pathway to tap into your passion for helping others.

Prerequisites required:

- Must be a NZ citizen, permanent resident or resident visa holder
- Minimum of 16 years of age
- Must pass Literacy Proficiency test
