The NZ Certificate in Health and Wellbeing Level 3 provides essential knowledge and practical skills to work effectively in healthcare roles. You'll learn to use medical equipment, understand palliative care, follow safety procedures, and explore hauora and other cultural aspects of health – all in a supportive, hands-on environment at our Manukau campus.

Skills Ignite arranges a 100-hour clinical placement in an aged care or disability setting, providing you with valuable hands-on experience to prepare for early career roles in the healthcare sector.

Whether you're starting fresh or returning to healthcare, this course is a great way to turn your passion for helping others into a lifelong rewarding career.

Prerequisites required:

- Must be a NZ citizen, permanent resident or resident visa holder
- Open to International students with a valid student visa
- Minimum of 16 years of age (18 years old for international students)
- Must pass Literacy Proficiency test
- Applicants must be willing to undergo a Ministry of Justice record check
