This course offers the advanced knowledge, skills, and hands-on experience needed to work closely with individuals, families, and whānau accessing social, community or mental health services. You'll dive into the essential responsibilities of support workers, learn to deliver effective care for diverse needs, and deepen your understanding of Aotearoa's health and wellbeing sector.

Specialise in:

- **Community Health Work:** Apply social services approaches to empower individuals and families, helping them set goals, reduce vulnerability, and build resilience.
- **Mental Health and Addiction Support:** Develop tools and strategies to work alongside tangata, family, and whānau, fostering autonomy, resilience, and hope.

This programme prepares you to make a meaningful impact in community health and wellbeing.

Skills Ignite arranges a 320-hour clinical placement in an aged care or disability setting, providing you with valuable hands-on experience to prepare for early career roles in the healthcare sector.

Prerequisites required:

- Must be a NZ citizen, permanent resident or resident visa holder
- Open to International students with a valid student visa
- Minimum of 16 years of age (18 years old for international students)
