This programme equips you with the advanced skills and knowledge needed to thrive as an intermediate stylist in a professional salon.

You'll have 24/7 access to the Pivot Point LAB online platform, where you can learn key hairdressing skills at your own pace with regularly updated content on the latest industry trends.

Master modern cutting, colouring, and chemical reformation techniques while gaining a strong understanding of salon operations. You'll also focus on managing client services efficiently and boosting salon profitability, preparing you for a successful career in hairstyling.

Graduates can expect to deliver expert consultations, create tailored treatment plans, and offer a wide range of cutting-edge hairdressing services.

Prerequisites

- Completion of Certificate in Hairdressing (Level 3) or equivalent
- Minimum of 16 years of age

APPLY AT: skills-premier.org OR 0800 11 99 00
