# premier

This programme has been designed for aspiring hairdressers, providing an introduction to hairdressing and foundational knowledge and practical skills.

You'll have 24/7 access to the **Pivot Point LAB** online platform, where you can learn key hairdressing skills at your own pace with regularly updated content on the latest industry trends.

You will also develop communication skills for effective client consultations, applying your understanding of salon culture and health and safety practices to enhance professionalism and collaboration.

Graduates can enter the hairdressing industry as an Assistant or Work-Based Trainee and may enrol in our Work-Based Training Programme for the New Zealand Certificate in Professional Stylist (Level 4).

## Prerequisites required:

- Must be a NZ citizen or permanent resident
- Minimum of 16 year of age

APPLY AT: **skills-premier.org** OR 0800 11 99 00
